## **For shade: *Kalmia latifolia* 'Sarah' – Sarah Mountain Laurel**

An eye-catching selection with dark red buds that open vibrant pink-red. Our exceptional specimen plant always impresses visitors when in flower. The foliage is dark green and free from disease when grown in the open with some air circulation. Always in high demand!

### More Information

<b>Latin Name</b>	<i>Kalmia latifolia</i> 'Sarah'
<b>Common Name</b>	Sarah Mountain Laurel
<b>Native</b>	Yes
<b>USDA Zone</b>	Zone 5
<b>Introduced by Broken Arrow Nursery</b>	Yes

## For the shore: *Clethra alnifolia* 'Ruby Spice' – Ruby Spice Summersweet *Clethra*

A rich pink flowered form that was discovered and introduced by Broken Arrow Nursery. Flowers are the darkest pink to date and hold their color well in the heat of summer. Honored with many horticultural awards including the Cary Award and the Pennsylvania Horticultural Society Gold Medal.

**Introduced by Broken Arrow Nursery** Yes

For Sun:

## Ilex Verticillata “Sunsplash” Sunsplash Winterberry Holly

Our striking variegated introduction that offers bright, gold-splashed foliage and respectable crops of orange-red fruit. The foliage quality offers a wonderful extension to the ornamental display of this noteworthy species. Discovered by our friend John Dancher. We think it's a gem! Pollinated by 'Jim Dandy'.
